Tyneside Young Lesbian Project

Monday Night 6-8 @ a City Centre Location

A group for 13-19 year old women who think they may be or identify as lesbian or bisexual. The group acts as a source of support and offers a space where its members can socialise in a safe environment and talk in confidence about their sexual orientation and related issues.

The group combines issue based educational session with social activities and outings

All new members can be met on a 1-2-1 basis before attending the group to ensure the group will meet their needs appropriately .The group accepts both self referrals and referrals from professionals.

To make a referral please contact one of our group workers on 07507702878 or alternatively you can leave your details at the West End Women and Girls Centre on 0191 273 4942
